

Dear <Pattern Designer>,

I have made a quilt from, or was inspired by your pattern <_____>, and would like your permission to exhibit the quilt at the Shipshewana Quilt Festival in Shipshewana, Indiana from June <xx-xx, 20xx>. I would also like permission for the quilt to be photographed, with the possibility that the photographs may be published, giving proper credit to you as the designer. The Shipshewana Quilt Show is a juried and judged show and designer permission is required to enter.

Thank you very much for your consideration and I look forward to hearing from you.

Sincerely,
